

Shri Vyankatesh Arts, Commerce & Science Coellge

Deulgaon Raja, Dist. Buldana

Department of Economics

Economics is considered as an ever green subject due to its high utility and huge demand in the job markets. Economics is a very important discipline both for career as well as job point of view. Well-trained economists are in huge demand not only in India but also across the world for rapidly globalizing economic scenario. They are hired as economic analysts, researchers and consultants. Keeping this view in mind the college has started the Department of Economics under the faculty of Social Science at the inception of the college itself in 1967. The subject is being taught at the graduate level to Arts faculty. As Per the UGC Guidelines & University Direction Recently from the year 2020-21, Ph.D. in Economics is the Regular Programme started in the college.

Micro Economics, Economy of Maharashtra, Macro Economics, Banking, Indian Economy and Demography are the major papers being taught at UG level. As per the rules and regulations of Government of Maharashtra and the parent university, i.e. Sant Gadge Baba Amravati University, Amravati one full time post is sanctioned for this department. Professor Hansraj G. Phatak was the first Head of the Department – an expert in Monetary Economics and Finance. Presently, Professor Dr. Dnyaneshwar V. Gore has been leading the department since November, 2007; specializes in the Agricultural Economics & Econometrics.

Majority of the students of the department belong to the socially, economically and educationally backward rural community. For the overall development as well as to create interest and better understanding among the students various curricular and co-curricular activities such as guest lectures on current socio-economic issues, socio-economic surveys and study tours, release of wall magazines, research paper competition, seminar presentations, quiz competitions, news paper article analysis, etc. have been organized by the department. For getting extra knowledge of current issues on economics, department organizes every year guest lectures of eminent persons from various colleges & universities. The department thrives to provide quality education to the students from poor economically and educationally backward, rural community and also to reach standards of excellence in teaching, research and consultancy.

Career Opportunities in Economics Field:

An array of employment opportunities is available in economics field. Meritorious candidates can get excellent job opportunities after successfully completing their BA or MA in economics. Economics graduates can get prestigious jobs in the government sectors like Indian Economic Services, Indian Civil Services, Reserve Bank of India, National Sample Survey, Ministry of Economic Affairs, Planning Board, Planning Commission, National Council for Applied Economic Research and National Institute of Public Finance and Policy. Job opportunities are also waiting in the private sectors, NGOs and International Aid Agencies. The firms like World Bank, Asian Development Bank, IMF, and other Development Banks, Aid

agencies, Financial Consultancy firms are hiring the economic graduates for its various positions. One can consume in these organizations as economist, economic advisor, executive, analyst, consultant, researcher, financial analyst, business analyst, economic research analyst and stock market analyst.

Vision :

- Imparting theoretical and applied knowledge of economics.
- Empower rural students through the study of Economics.
- Conducting research on socio-economic problems at regional and national.

Mission :

- To prepare students for acquiring applied knowledge of economics.
- To undertake quality scocio-economic research for regional development.
- To enhance employability and entrepreneurship skills among students.

Objectives :

- To develop an understanding of economic theories and their applications.
- To develop critical thinking and effective decision making skills among students.
- To apply the basic theories of economics in problem solving.
