REPORT ON ONE DAY WORKSHOP ON “SNAKE AWARENESS”

The Department of Zoology of Shri Vyankatesh College organized a **One Day Workshop on “SNAKE AWARENESS”** for UG students on 23rd Sept, 2019 in the programme hall at 11:00 AM onwards. Total 80 students attended this workshop.

Organizing Committee:

Mr. D. M. Shimbre (Organizing Secretary, Head, Dept. of Zoology)

Mr. N. P. Kakde (Member, Head, Dept. of Botany)

Mr. M. S. Salve (Member, Asst. Prof. Botany)

Mr. P. B. Pawar (Member, Head, Dept. of Microbiology)

A team of Students from third year B. Sc. (Zoology) volunteered to organize this workshop.

Guest Speaker: Miss. Vanita Borade (Snakefriend and Founder, Soyre Vanyajiv Multipurpose Foundation, Mehkar)

Guest Speaker: Mr. Bhaskar Borade

President: Dr. Anant Awti (Head, Dept. of Political Science)

The introductory speech was briefly abridged by Mr. D. M. Shimbre. Felicitations of the guest speakers was done by Dr. Anant Awti. Dr. Anant Awti delivered his presidential address on this occasion and congratulated the department of zoology for arranging such a nice workshop for students.

After felicitations & introduction of the guest speaker, we started the session. Mr. Bhaskar Borade sir is presently working in Soyre Vanyajiv Multipurpose Foundation, Mehkar. He is also working as Sarpmitra who saves many snakes as well as helps patients of snake bites in an emergency.

Awareness is one of the effective measures to help people live peacefully with animals. Deaths due to poisonous snake bites are common in rural parts of India. Most people kill the snake after it bites someone, and treat the patient by some Baba with mantras & some herbal remedies. Often the patient is taken to hospital too late to be saved. We can avoid such deaths with first aid & early intervention of proper treatment in well-equipped hospitals. During the lecture he specially focused on misconceptions and false beliefs about snakes, which are a major cause for the increase in the mortality of snakes. Snakes are an important part of nature & helpful for human beings; we have to save them.

He explained thoroughly about different types of snakes with their specific identification, reorganization of poisonous & non-poisonous bites, what kind of first aid should be provided in snakebite cases with his effective power-point presentation. Sir also gave information about which species of snake is mostly found in a particular area, which can be helpful during diagnosis of

cases of poisoning. He also explained his experiences about some medico legal cases. This was very beneficial to our staff & students.

Miss. Vanita Borade practically explained how to capture and handle the snake.

The workshop was very informative and enjoyable; students came to know regarding the snake role in ecosystem. The students were motivated with this workshop interacts with the guest speaker and asked their doubts regarding the snake.

The program was **attended by 20 Professors & 80 Students.**

“Role and Significance of Self Help Groups (SHGs)

(Friday, 27th September, 2019)

The Department of Economics has organized the Ministry of Human Resource Development -MHRD and the Indian Council of Social Science Research - ICSSR (Under the scheme of Impactful Policy Research in Social Science - IMPRESS) sponsored One Day Interdisciplinary National Level Seminar on *'Role and Significance of Self Help Groups (SHGs) in Socio-Economic Empowerment of Women: Opportunities, Issues and Approaches'* on Friday, 27th September, 2019. A galaxy of professors, researchers, industry practitioners and intellectuals gathered at the college campus to deliberate on the various aspects of the issue regarding the *Self Help Groups (SHGs) and Socio-Economic Empowerment of Women*. The programme was inaugurated by Dr. Tushar R. Deshmukh, Hon. Registrar, SantGadge Baba Amravati University, Amravati along with the Keynote Speaker, Prof. Dr. Ms. RupaliAmbadkar, Dept. of Accounting and Financial Management, The Maharaja Sayajirao University of Baroda (Gujrat), Chief Guest Hon. Dr. Santosh Kute, Chairman, Economics Board of Studies, SantGadge Baba Amravati University, Amravati and the chairperson of the inaugural ceremony Hon. Dr. Gajanan B. Jadhav, Principal, Shri Vyankatesh Arts, Commerce & Science College, D.Raja. Dist. Buldhana.

The inaugural session of the seminar started at 10:00 am and continued till

12:00 Noon. At the beginning of the inaugural session of the seminar Dr. Dnyaneshwar Gore, the seminar coordinator introduced the theme and relevance of the seminar. In his keynote address, Hon. Dr. Tushar R. Deshmukh spoke on the innovativeness and the need of the seminar theme. The keynote speaker Hon. Dr. Rupali Ambadkar emphasized on role and significance of Self Help Groups in women empowerment in Indian economy.

Dr. Rupali Ambadkar made an attempt to analyze the SHG movement in India with focus on various initiatives undertaken by Government in promoting SHGs, analyze the progress and current status of SHGs, their role in women empowerment in India and evaluate the challenges in strengthening SHG movement in India. She concluded that a holistic view of current status and statistics of SHGs, their role in women empowerment and areas which really need intervention should be found out by Government before introducing any new scheme to promote formation of SHGs or aiding women empowerment.

The pre-lunch technical session i.e., Technical Session-I, of the seminar, started at 12:20 noon and continued till 2:00 pm, in which Dr. Medha Tapiawala, Professor & Head, Department of Economics, University of Mumbai, Mumbai (MS) addressed the gathering on the theme *Self Help Groups (SHGs) and Socio-Economic Empowerment of Women*. Prof. Medha Tapiawala, delivered her key note address on 'Is the role of SHGs vital in bringing women empowerment in India?'. She told that the SHG Programme clearly plays a vital role in the lives of the poor. The programme in various blocks seem to be very successful in reaching poor clients to some extent. Importantly; there is an evidence of increased in generation of opportunities for poor. This is a very significant indicator of impact. Programmed loans are one of the main ways members gain confidence in their routine activities as well as in taking important family decisions. However the trickledown effect is limited as the empowered SHGs

attracts the resources which will be focused in future. This expects a vertical growth of such SHGs. But, at the same time due to asymmetry of information, the other needy people who are not in the periphery of the source, remain away from any kind of benefits. Hence are deprived from the development.

The post-lunch technical session i.e., Technical Session-II started at 2:40 pm and continued till 4:20 pm. In this session, three invited speakers addressed the gathering in the seminar hall. Dr. Rita Malache, Professor & Head, Department of Sociology, University of Mumbai, Mumbai (MS), Dr. Medha Tapiawala, Professor & Head, Department of Economics, University of Mumbai, Mumbai (MS) and Dr. Ms. Rupali Ambadkar, Dept. of Accounting and Financial Management, The Maharaja Sayajirao University of Baroda (Gujrat).

Invitation:
 It gives me immense pleasure to invite all Principals, IQAC Coordinators, Management Representatives and stakeholders for the NAAC sponsored National Level Workshop on Process of Filling and Submitting Online AQAR of Colleges to be organized in collaboration with the IQAC Cluster India on 27/12/2019 by the Internal Quality Assurance Cell in Shri Vyankatesh Arts, Commerce and Science College Deulgaon Raja, Dist. Buldana.

About Workshop:
 Since the new process of submission of AQAR in an online mode is introduced, many colleges, especially the colleges in mofussil area have been found groping in submitting the same. They have also been facing difficulty while preparing the AQAR with respect to certain areas/metrics in the AQAR. The colleges need to go through several process for submitting the AQAR. Besides, the metrics which are introduced in the new format need to be discussed under the able guidance so that the AQAR will become more transparent and factual. Hence the Internal Quality Assurance Cell in Shri Vyankatesh College Deulgaon Raja, decided to facilitate the colleges to fill the AQAR in an online mode without any hindrance. This would surely help the Colleges, Principals and IQAC Coordinators to work and plan accordingly.

About Manual:
 The College is going to publish a manual in collaboration with the IQAC Cluster India which will be a precise guideline for the colleges who are going to submit their AQAR. The manual will help the colleges to undertake innovative activities under different metrics and mention the same while filling the AQAR online. The manual consists of answers of all questions which normally the colleges face while preparing the AQAR. It would definitely guide the higher education institutions to work enthusiastically and further NAAC procedure would become a very easy, manageable and inspiring task in these institutes especially in rural areas.

One Day National Webinar Report

A one-day National Webinar was organized by Department of Commerce on Tuesday 04th August 2020 at Shri Vyankatesh Arts, Commerce and Science College, Deulgaon Raja. The said webinar was organized on the topic "Impact of Covid-19 Pandemic on Indian Economy". For this webinar, a total of 145 professors and students from the states of Jammu Kashmir, Bihar, Madhya Pradesh, Punjab, Andhra Pradesh, Kerala, Karnataka, West Bengal, Tamil Nadu, Telangana, Gujarat, Haryana, Chhattisgarh, Nagaland, Assam registered and participated for this webinar. Honorable Dr. Rupali Aambadkar, Department of Commerce, Maharaja Sayajirao Gaikwad University, Baroda, Gujarat was the Chief Guest for the second session and Honorable Dr. Jyoti Bhargava, Head, Department of Commerce, National Post Graduate College, Lucknow, Uttar Pradesh was the Chief Guest for the third session. The webinar was divided into 3 sessions. The first session was the Inauguration Ceremony, the second session was the Chief Guest Guidance and Question Answer Program and the third session were the Chief Guest Guidance and Question Answer Program.

The said webinar is started at 12.00 noon. Dr Gajanan Jadhav, Honorable Principal of the college presided over this webinar. The webinar was moderated by Professor Dr. Vinod Bansile, Department of Commerce; the introduction of this webinar was presented by Dr. Narendra Shegokar, Head, Department of Commerce. Dr Dnyaneshwar Gore, Head of Department of Economics, introduced the guests who were present as Chief Guest for this webinar.

Dr Gajanan Jadhav, Honorable Principal of the college in the inaugural address of the webinar said that coronavirus is a type of virus that can invade the lower respiratory tract and cause mild illness as well as severe diseases like pneumonia and bronchitis due to some viruses. Infection can be extremely fatal for people infected with the virus. There are many epidemics in history that have changed human life. It is seen that the epidemic of Covid-19 has adversely affected many economies of the world. As it is necessary to study the impact of this epidemic on the Indian economy and have a deep discussion on it, the said webinar has been organized by the department of commerce of our college. He expressed his belief that the expert guides, professors and students present in this webinar will get information about the positive and negative effects of this epidemic on the Indian economy by having an in-depth discussion on the topic.

The Chief Guest of the Second Session of the Webinar Hon'ble Dr. Rupali Aambadkar, Department of Commerce, Maharaja Sayajirao Gaikwad University, Baroda, Gujarat, in her guidance said that the impact of Covid-19 on the Indian economy will be seen both positively and negatively. Make in India is a positive side. Demand has increased to such an extent that Indian manufacturers are unable to meet the needs of consumers such as hand sanitizers, toilet papers, disposable gloves, food products and dairy products. Due to Make in India, production of hand sanitizers, disposable gloves, vaccines has started in India and in the future it can be exported to strengthen the Indian economy. On the other hand, the Indian tourism industry has been negatively affected, flights are running at a loss, foreign trade is very slow and the tourism industry is in dire straits. After his guidance the four listeners cleared our doubts from Dr. Aambadkar madam.

The Chief Guest of the Third Session of the Webinar Hon'ble Dr. Jyoti Bhargava, Head, Department of Commerce, National Post Graduate College, Lucknow, Uttar Pradesh, in her introduction, said that Covid-19 has a significant impact on e-commerce in the world. The coronavirus has forced and habituated consumers to use the internet in their daily lives. This pandemic has suddenly led to a significant increase in e-commerce. Additionally, retailers face many hurdles in e-commerce, such as increased delivery time, difficulties in controlling movement, social distancing and lockdowns hampering trade. After his guidance, the audience cleared his doubts from Dr. Bhargava madam.

After this, at the end of the webinar, Dr. Sandeep Jagtap, a professor in the Department of Commerce, thanked everyone.

One Day Online Workshop on 'Adolescent's Beauty Problems and
Treatment'**

Date:22/02/2022

College and young students are facing various physical problems. Although the physical problems in that stage are similar, the student does not share these problems with others. Most of the college students are from rural areas so they don't know cosmetology or cosmetologist. The principal suggested organizing a one-day workshop for such students to gain knowledge about cosmetology and share their problems with doctors. In this workshop they were given the topic 'Adolescent's Beauty Problems and Treatment'. For this workshop, most of the college students, female students, teaching staff, non-teaching staff were on zoom meeting. The doctor cleared the confusion in the minds of the students regarding that problem. At the same time, the doctor shed light on modern treatment methods for beauty problems.
