Students benefited by scholarships and free ships provided by the non-government agencies during last five years.

The College has been prompt and generous in recognizing, appreciating, and encouraging meritorious students towards excellence in both curricular and extracurricular activities. The felicitation program for meritorious students is organized to motivate and encourage them to achieve academic excellence. Students who secure the highest marks in their courses or subjects, excel in sports or cultural activities, are the best library users, or consistently obey college discipline are felicitated with cash prizes and certificates.

Since 2008, the college has been organizing this felicitation program. Cash prizes are contributed by the management, Principal, college teaching and non-teaching staff, and generous individuals from the community. Special cash prizes are awarded to students securing gold medals in university exams, with Rs. 5000/- each provided by the management, Principal, and the respective subject teacher.

To celebrate and honor the achievements of these students, the college organizes an annual program. Reputed individuals from academic, cultural, political, and other sectors are invited as chief guests to add prestige to the event.
