POLICY DOCUMENT ON E-GOVERNANCE

As per the Information Technology Act, 2000 of the Government of India, it is mandated that public services are to be delivered electronically wherever and to the extent possible. The New Education Policy (NEP 2020) also emphasizes the use of ICT in administration, teaching and learning. Following this, Shri Vyankatesh Arts, Commerce and Science College, Deulgaon Raja provides its services to all stakeholders through an efficient e-Governance. The College implements e-governance in various aspects of functioning including library, accounts, admissions, administration, teaching, etc. for which the following policies and procedures have been framed:

Key objectives of the policy

- To implement e-governance in various functions and to provide an efficient system of governance.
- To encourage transparency and accountability in all the functions of the college with the help of ICT that can be utilised to automate, transfer, and analyse the data or information in the college administration for all the purposes of admissions, and workload.
- To provide quick and ready access to information.

(i) Website:

The college has a website that reflects the mission, history, aims and objectives, information related to faculty, infrastructure, courses offered, various activities, noble initiatives taken by the institute, important notices etc. The website of the college is newly prepared taking into consideration the requirements of the college with respect to modern times. The institution has prepared its website comprising all types of information as per the requirement of the NAAC. The institution has constructed a well-equipped auditorium of 5000 sq. ft. With ICT equipment and acoustic treatment. The

institution has also renovated the seminar hall of the college with acoustic treatment and ICT tools. To ensure the smooth running of the website, a separate service provider/web designer has been appointed by the college. Under the e-governance policy, the College has constituted a website committee that takes care of the college website and ensures a speedy update of the latest notices/activities. The college strives to showcase its vibrant self and activeness through its website.

(ii) Admission of students:

The admissions of the students are done on a first come first serve basis by observing the rules of the category. The college's prospectus is also available on the college's website. The Prospectus comprises all rules and regulations concerning the admissions of the students. The admissions are made with the help of software, and office automation. The students are given computerised bona fide certificates as well as transfer certificates. The daily report of the admission is generated online for the information of the Principal. The computers in the office are connected to LAN for the convenience of all clerks. The information of the students can be viewed at any counter. Besides the scholarship forms of the students are filled out online in the college. Their information is furnished by the online process. The students are supported financially for the admissions by waiving their fees if they are proven financially weak. They are also provided with other facilities free of cost. The brochure having detailed information about the student-related admission is displayed on the website.

(iii) Finance and Accounts:

The office uses the software called Tally which offers advanced features in maintaining financial records effectively and efficiently. Appropriate security measures are taken to maintain the confidentiality of the transactions. For ease of maintaining accounts, the college is using Campus ERP software. The College also utilizes the Public Financial Management System (PFMS) which is used to manage the funds received from the Government. All salary and non-salary accounts are maintained offline mode. The remuneration of the teachers for various purposes is also deposited by cheque transfer. The annual audit is also maintained through computers. The salary bills are also submitted online with the help of a sevarth system. TDS, Provident Fund, and Allowances are also managed through PMFS.

(iv) Library (Knowledge Resource Centre):

The college Library is comprised of more computers for students for their research purposes and it is equipped with CCTV cameras for security and discipline purposes. It has also a separate reading room for teachers, girls and boys with ample facilities. In the library, more books for all subjects are also purchased as per the demand of the teachers. The institution also purchased more ICT equipment for teaching and learning activities.

The entire Library System with respect to issue and referencing is fully automated with the help of e-Granthaly Library Software. Stakeholders access the library resources on and off the campus with the support of the OPAC, NLIST, DELNET and INFLIBNET. The library is Automated with e-Granthaly Library Software. with OPAC System

(v) Administration:

Biometrics is used by teaching and non-teaching staff to record and trace attendance. The administration has become convenient due to the installation of CCTV Cameras in every corner of the college campus. The footages of the cameras are checked if necessary. The institution has formed a WhatsApp group of the employees through which the notices and circulars are posted. The notices are also posted on the college website and students are insisted to be in touch with the college website for the latest notifications. The emergency information is also sent through messages to the students on their mobile phones. The teachers are also sent the information or the concerned letters in their emails by the Principal or the office.

(vi) Examination:

The examinations are conducted as per the pattern decided by SGBAU Amravati. The institution has provided two separate PCs with the necessary software with the high-speed internet connection facilities. The college follows an online system where Exam related links are given such as the University Result Link, Revaluations Link, Revaluation Form, Duplicate Mark sheet Form, Grievance Procedure and Migration Form. Students can view and get information.

(vii) Planning and Development:

The institution at the very beginning of the session prepares its development plan and the same is put in the meeting of the management and the staff. The institution has its updated website through which the planning and the development are well intimated to the stakeholders. The institution has formed various committees for the development of the college. They are asked to maintain their minutes of the meetings held during the year. The Principal prepares the draft of the work to be done during the year and the same is sanctioned from the Hon. Chairman.

(viii) Distinguished Alumni:

The college has a distinguished alumni webpage that helps in strengthening alumni relationships.

(ix) Hardware & Software Infrastructure:

The College ensures that it has an adequate number of desktops for students and staff. Computers and printers are to be made available in the administrative block. Projectors and other multimedia devices are to be provided in the auditorium, digital classrooms and seminar room. The College maintains adequate configuration servers to allow fast transmission of data to the various computers. Office automation packages for desktops and laptops like Open Office, MS Office and Antivirus are to be purchased and updated regularly.

(x) Student Support:

The academic calendar and prospectus are published and upgraded frequently on the college website. The students are instructed to get the support on respective portal of SPPU, UGC, Sate and Central Government for availing various scholarships and examinations. What's app groups of different stakeholders are formed for speedy communication.

USAGE STATISTICS
Note:
The N-LIST Programme has implemented a new method for reporting usage statistics with the change in N-LIST Access Methodology from July 2021. The new usage statistics now include page views and unique sessions for each user of the college based on the logs generated from N-LIST.
Usage statistics of users are updated in the first week of every month.
