MoUs & Collaborations

Memorandums of Understanding (MoUs) and collaborations play a crucial role in higher education institutions.

Resource Sharing: Collaborations enable institutions to share resources such as faculty expertise, research facilities, and academic materials, thereby enhancing the quality of education and research.

Curriculum Development: Joint efforts can lead to the development of innovative and up-to-date curricula that incorporate the latest industry trends and academic advancements.

Student and Faculty Exchange Programs: These programs provide exposure to different educational systems, cultures, and perspectives, enriching the academic experience for both students and faculty.

Skill Development: Collaborative programs often include skill development initiatives that prepare students for the workforce, aligning their skills with industry requirements.

Knowledge Transfer: Collaborations enable the transfer of knowledge and best practices between institutions, driving overall growth and development.

Community Engagement: Collaborations often include community outreach programs that address societal issues, promoting the institution's role as a socially responsible entity.

Incremental Development In Various Activities

ICT Enabled Teaching-Learning

ICT enabled teaching-learning lies in its ability to transform the educational process, making it more effective, engaging, and accessible.

Adaptive Learning Technologies : These technologies adjust the difficulty and style of content delivery based on individual student performance and learning pace.

Customized Learning Paths : Students can follow customized learning paths that cater to their unique needs and preferences.

Remote Learning : ICT enables distance education, allowing students in remote or underserved areas to access quality education.

Digital Resources : E-books, online journals, and other digital resources are easily accessible and often more cost-effective than physical materials.

Online Collaboration Tools : Platforms like Google Classroom, Microsoft Teams, and Zoom enable students and teachers to collaborate in real-time, share resources, and communicate effectively.

Instant Feedback : Online quizzes and assignments can provide immediate feedback, helping students understand their mistakes and learn more effectively.

Data Analytics : Teachers can use analytics from digital tools to track student progress and identify areas needing improvement.

Award Letter of Minor Research Project

Dear Dr. Dyaneshwar Vishnu Gore ,

Please refer to your project grant under the Minor Research Project Scheme of the ICSSR

Title: Agrarian Crisis and Farmers Suicides in Maharashtra State: A Comparative Study of Marathwada & Vidarbha Regions

Budget Approved: 300000

First Instalment: 40% of the awarded grant, detailed Budget in break-up will be sent along with the sanction order of Rs. 120000/-.

The above has been approved by the Competent Authority on the recommendations of the Expert Committee.

You are requested to commence the study immediately. You are required to give an undertaking on a non-judicial stamp paper of Rs. 100/- (copy enclosed), declaration on a non-judicial stamp paper and send us the grant- in-aid bill (copy enclosed) of 40% of the awarded grant. All Payments and Transfers are to be done through EAT module hence the institution has to open a dedicated account as per the notification of ICSSR.

You are once again required to go through the eligibility criteria in the guidelines and make sure you fulfil them in all respect both in case of individual and institution. In case you have awarded a project under any other programme of ICSSR and sanction letter for the same has been issued you are requested to continue with earlier sanction and inform accordingly. This award in that case will not stand operational. In case you have already been awarded a project and sanction letter has not been issued you may make an option between the two awards and inform us clearly which project you would like to start. If there is any change in terms of original proposal you need to clarify and take approval from ICSSR in the beginning itself.

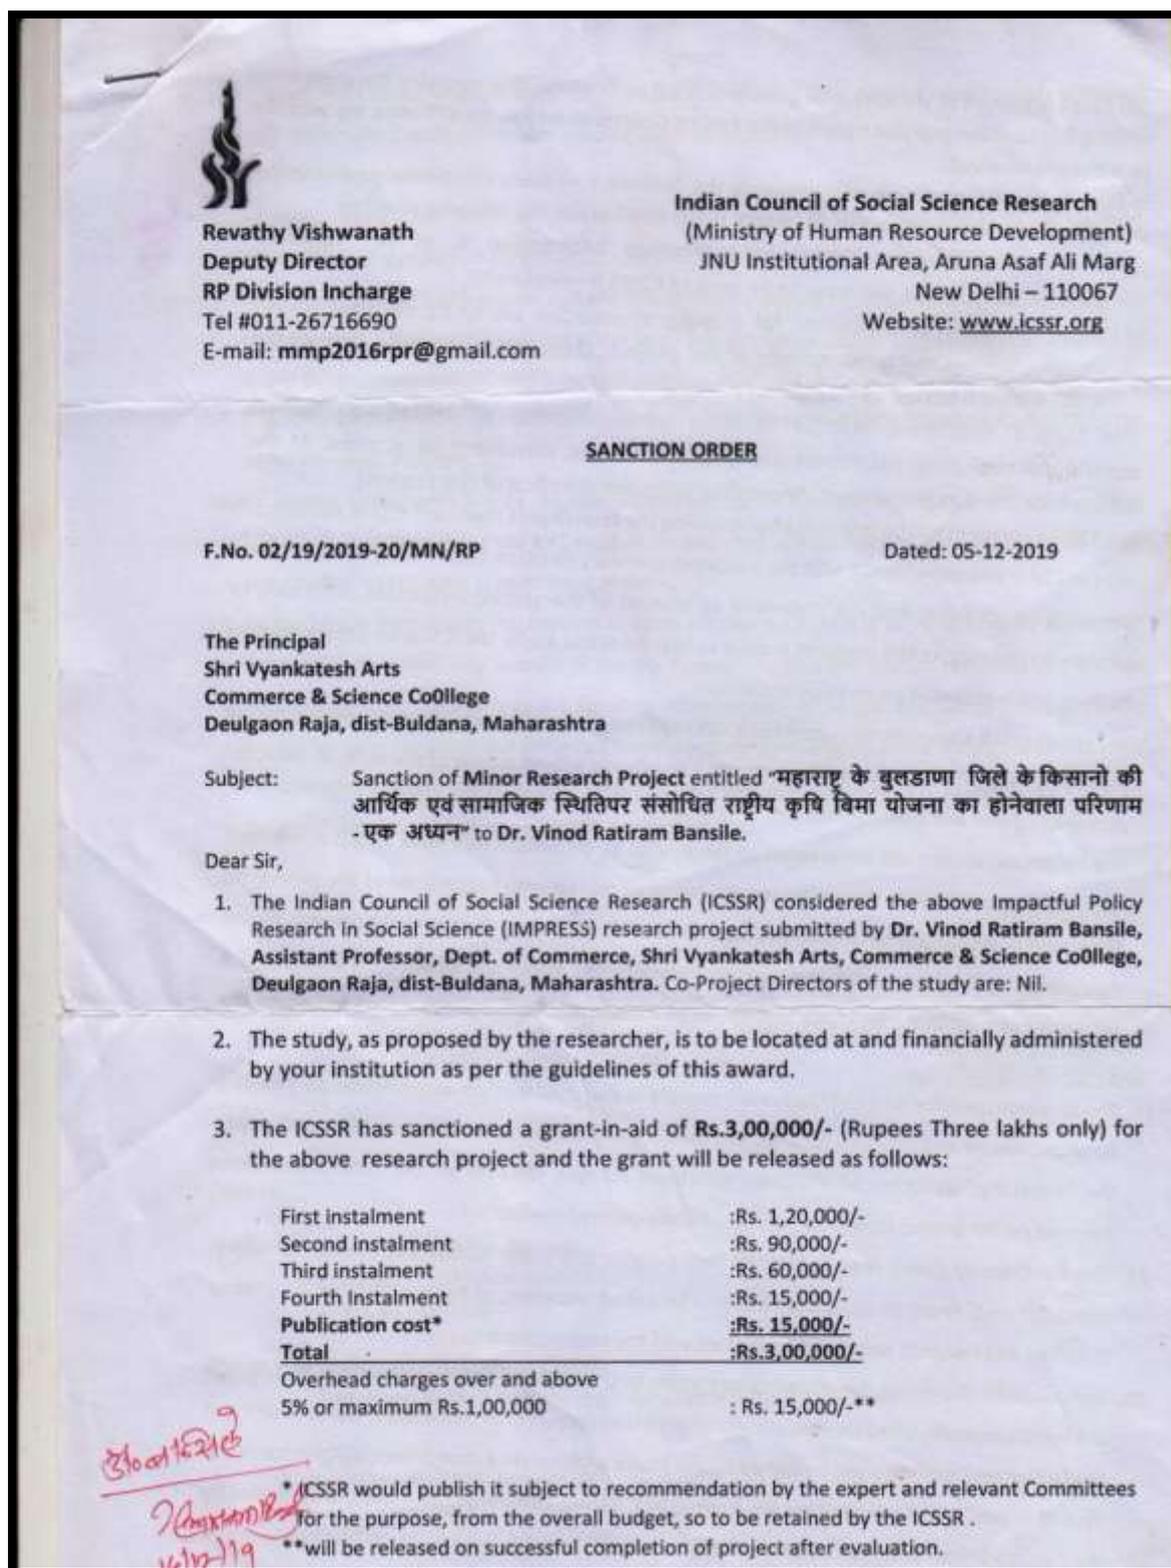

Kindly send us all the desired documents (**attached herewith**) to the undersigned within at the earliest to enable us to issue the formal sanction order as per the checklist enclosed.

With best regards,
Yours sincerely,
(Revathy Vishwanath)

(57) Abstract : An efficient methodology to manage the bio-medical wastes collected from hospitals and diagnostic centers aims at designing and implementing a framework for collecting wastes from various places such as hospitals, laboratories, nursing homes etc. The invention focuses on disposing of the bio-medical wastes in a safe and secure manner without causing any harm to the environment as well as the humans. It is implemented using a device and an innovative mechanism. The device will identify the wastes and segregates them as wet and dry waste. The device will monitor the wastes. The device will monitor the wastes from various places over cloud.

(57) Abstract Effective diagnosis of machine is predicted by real time model in monitoring system whose main focus is to decrease life span of the component tool with high flexible capability of prediction. The proposed invention presents a two stage model based on back propagation neural network model of artificial intelligence. The real time prediction which monitors and validates life span of the tool. Parameters such as temperature, current, vibrations, accelerations and cutting forces are utilized for forecasting tool wear from the analytic model. Process efficiency increases with effective assessment of tool wear rate such that tool replacement avoids any catastrophic event. Tool wear is predicted during turning of hardened steel by checking multiple perception using artificial neural networks. Monitoring and prediction system of tool lifespan enhances the productivity of manufacturing unit based on the analysis of artificial neural networks.

MISSION

The mission of the student-Alumni Association at Shri Vyankatesh College is to bridge the gap between current students and alumni, fostering a supportive and collaborative community. This mission aims to harness the collective experience and resources of alumni to enrich the educational, professional, and personal development of students. The key elements of this mission include

Mission Statement

To connect, Support, and inspire current students and alumni by fostering meaningful relationships, promoting lifelong learning, and encouraging mutual growth and success.

AIM & OBJECTIVES:

- To keep a roster of all Alumni of college and their pertinent data.
- To maintain the updated and current information of all alumni.
- To encourage, foster and promote close relation among the alumni themselves.
- To provide a forum for the alumni for exchange of ideas on Academic, Cultural and Social issues of the day by organizing and coordinating reunion activities of the alumni.
- To undertake various educational and social activities with the joint efforts of Shri Vyankatesh college and the alumni.
- To inculcate the feeling of fraternity and communal harmony amongst the former students of the college and to enhance the development status of society with the active participation of the alumni.
- To encourage the former students for entrepreneurship with the technical and other facilities available with the college and the alumni.
- To create quality in the field of higher education with the active participation of the alumni.
- To create and maintain healthy relationships with the various industries and to utilize these relationships for the betterment of former as well as present students.
- To assist and support the efforts of Shri Vyankatesh College in obtaining the funds for development.
- To create small scale business and industries for the creation of employment and development of campus and to erect the capital for the same.
- To organize symposiums and meets with the active participation of the alumni and to contribute for the development of the higher education.
- To establish incubation center and entrepreneurship cell through the alumni.
- To mobilize financial resources for the mobility of various activities in compliance with the objectives of association.
