One Day Online Workshop on 'Adolescent's Beauty Problems and
Treatment'**

Date:22/02/2022

College and young students are facing various physical problems. Although the physical problems in that stage are similar, the student does not share these problems with others. Most of the college students are from rural areas so they don't know cosmetology or cosmetologist. The principal suggested organizing a one-day workshop for such students to gain knowledge about cosmetology and share their problems with doctors. In this workshop they were given the topic 'Adolescent's Beauty Problems and Treatment'. For this workshop, most of the college students, female students, teaching staff, non-teaching staff were on zoom meeting. The doctor cleared the confusion in the minds of the students regarding that problem. At the same time, the doctor shed light on modern treatment methods for beauty problems.

Principal decided to take workshop on balanced diet for college students. Accordingly, a one day workshop was organized by Department of Sports and physical education. Doctor sonali Jethliya , Jalna she was the main guide to this workshop. Dr. Ashok Kabra was present as the chief guest on this occasion. Dr. Sonali Jethalia guided the students through PPT. She said, the cause of all diseases is that they neglect their diet. If we do not always follow the eating times, the disease will increase. Therefore, you should monitor the food regularly. Avoid eating too much sweet, sour, spicy food and drinking cold water. Vitamins, carbohydrates, minerals and fats etc. should be used in the diet. Strictly avoid eating hard food. Junk food is very dangerous for the body. Talking about what and how much should I eat, the principal said that as the chief guest said, students should be conscious about their diet. The principal appealed to the students to consume nutritious food and avoid junk food. Finally Prof. Dr. Mahendra Salve thanked the participants.
