योग व प्राणायाम म्हणजे सुदृढ आरोग्याचा मूलमंत्र : डागा

देऊळगाव राजा
दि. २४ (प्रतिनिधी)

सध्याचे युग हे धावपळीचे असून कामाच्या व्यापात आपले आरोग्याकडे दुर्लक्ष होते. वेळ काढून आरोग्याची काळजी घेणे गरजेचे आहे त्यासाठी योग व प्राणायाम करावा, कारण योग व प्राणायाम सुदृढ आरोग्याचा मूलमंत्र मानला जातो असे प्रतिपादन, जालना येथील पतंजली योग समिती व योग भूमी चे योगगुरू किशन डागा यांनी केले.

श्री च्यंकटेश महाविद्यालयात आयोजित योग व प्राणायाम एकदिवसीय शिबिरामध्ये ते

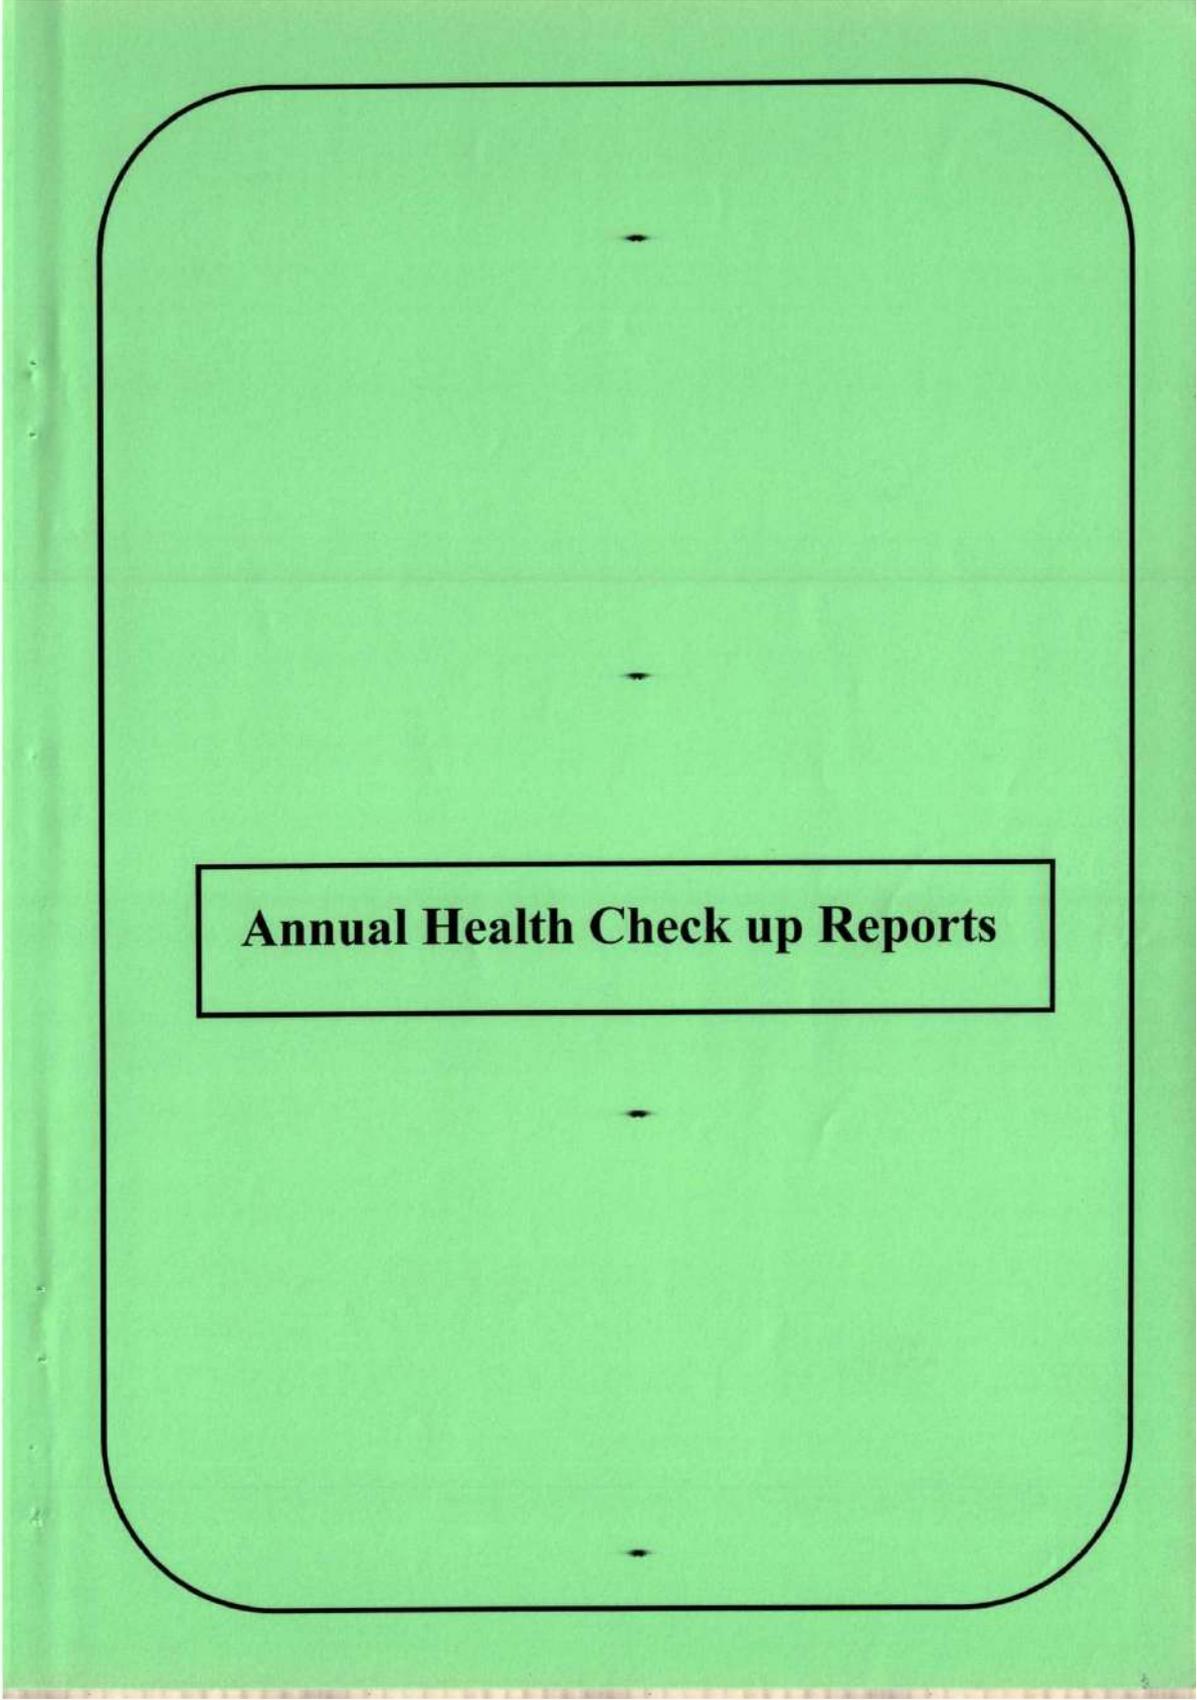

मार्गदर्शक म्हणून बोलत होते. अध्यक्ष म्हणून प्राचार्य डॉ. गजानन जाधव अतिथी डॉ. गणेश दराडे, डॉ. वाघ, घडसिंग उपस्थित होते. डागा यांनी विविध योगासनांची प्रात्यक्षिके करून दाखविली.

प्राचार्य डॉ. जाधव यांनी, योग शिक्षण ही भारताने जगाला

दिलेली देणगी आहे हे आपण विसरलो आहोत, अशी खंत व्यक्त केली.

दररोज योगासने करून आपली प्रकृती उत्तम ठेवावी असे आवाहन केले. सूत्रसंचालन प्रा. मधुकर जाधव, प्रास्ताविक डॉ. किरण मोगरकर, आभार प्रा. अरविंद कानावाटे यांनी केले.

This year students from the college, students of NCC, students of NSS and professors donated blood. 110 students and 10 professors donated blood. First of all, the tomb was worshiped on the death anniversary of the late Raje rajendrasing Jadhav. Blood donation was started by paying tribute to the late Raja Saheb. Along with the students, some donors from the city donated blood. At this time Prof.

B.U.Kale explained to the attendees the purpose of the blood donation camp. Principal Jadhav said that since 2004 this blood donation has been organized. At the end of the program, Prof. Dr. V.R. Bansile thanked the blood donors.

- **AIDS Counseling and check-up camp (01 Dec. 2019):**

AIDS counseling and AIDS inspection camp was organized at the college on behalf of the college's NSS Department. Every year this program is organized in collaboration with the Rural Hospital, Deulgaon Raja. The event was organized on 1 December 2019. The chief guide of the program is Dr. Mante, an officer of the AIDS Investigation Department of the rural hospital, and the Dr. Khare was present. Dr. Mante and Dr. Khare raised awareness about AIDS among the students. He urged that all students should get an AIDS test, as it is desirable for all students to get AIDS test. The program was presided over by the Dr. G.B. Jadhav. In his presidential address, Dr Jadhav said that students should be aware of HIV. Therefore, all students should take their HIV test. In this camp, most students took their HIV test. Professor Balasaheb Kale and Professor Pandurang Pawar from the college also took the HIV test.

- **Yoga and Pranayama Camp (24 Dec. 2019):**

A special Yoga and Pranayamas camp was organized in December for college students. Shri Mukuldas Abhaykumar and Shri Nikhil Sharma were present as the guide of this camp. Both of these yoga teachers came from **Dev Culture University, Haridwar**. Both these yoga teachers explained the importance of yoga and pranayama to the students. Yoga teacher Shri Mukuldas demonstrated yoga, while yoga teacher Nikhil Sharma demonstrated pranayama, meditation and perception. After that, both yoga teachers interacted with students about Indian culture. Senior and junior college students attended the camp. Dr.Awti, Department of Political Science, was present as the Chairperson of this camp. He urged the students to do all yoga and pranayama daily in their presidential address. Dr. Mogarkar Director of Physical Education thanked the attendees.

- **A one day Workshop on 'Stress Management' (14 Jan. 2020):**

A stress management workshop is organized annually in the college, Under the guidance of Principal Dr. G.B. Jadhav, The camp is organize to provide guidance how to manage stress to college students, teachers and non-teaching staff. A one-day workshop on stress management was organized also this year. Shri Dnyaneshwar Mule, Clinical Psychologist, Civil Hospital, Buldana was present as the lead guide in this workshop. Mr. Siddharth Jadhav, Clinical Psychologist, Civil Hospital Buldana were also present along with him. Shri Siddhartha Jadhav gave guidance on how stress creates and how a person gets involved in the stress. Mr. Dnyaneshwar Muley explained the nature of stress in the many field. For example, the stress of the exam for the students, the target for the teachers, and the stress of the office work for the non teaching staff etc. He explained the adverse effects of this strain on the body. He explained the measures to reduce stress. He also elaborated on how meditation retention helps to relieve stress. Dr. Awti presided over the workshop. Dr. Bansile thanked the attendees.

- **Essay Competition on 'The Side Effects of Tobacco consumption ':**

On behalf of the Health Department of the Government of Maharashtra, an essay competition was organized on the topic 'side effects of tobacco consumption. Each civil hospital was given the responsibility of organizing this competition. Accordingly, the competition was organized on 4th February 2020 at the college level. A total of 25 students participated in this competition. The trophy and certificates were awarded to the first and second contestants on behalf of the Civil Hospital Buldana. The Department of Physical Education fulfilled the responsibility of carrying out this competition. All essays in the competition were evaluated by Professor Madhukar Jadhav of the Department of Marathi.

- **Health Check-up Camp:**

The college's physical education department organized a health check-up camp of the students every year. In this camp, Dr. Ashok Kabra conducts health checkups of male students. And Dr. Aruna Kabra conducts health check-ups of female students. This health check-up is mandatory for all students. A health check-up camp was organized from 5th to 7th March. At this camp, doctors took information about the health issues of the students and their health history. The doctor gave medical advice to the students and prescribed some medicines to the students. After the medical examination, the doctor prepared the report and presented it to the Hon. Principal.

- **Psychometrics test:**

Every year during the exam period, psychometric tests of the students are conducted. Presently, it is the time of examination for each student. So how will the exam be, will our study be completed till the exam? Students will be worried about many questions. Therefore, according to the orders of the respected principals, decided to take the psychometric test of the students. A questionnaire was prepared with the help of psychiatrists. The questionnaire was consisted of four options. The students to give the right tick on which option they find most appropriate at the present time. Such suggestions were made. Accordingly the students solved the questionnaires. A total of 12 questions were asked for this questionnaire. Each question was given a maximum of 3 marks. This was a total of 36 marks. Their stress level was determined based on the score obtained. Stress was classified into three areas. Stress levels are normal for students who get points 0 to 15. Stress levels are critical for students earning 16 to 25 points. So the stress level of the students who get 26 to 36 points is very serious.

This test was given by fifty male students and fifty female students. The data obtained from this test were analyzed. According to the analysis, it was found that 44 out of the total students, i.e. 88% of the students, were found to have a normal stress level. Similarly, the stress level of 48 of the female students (96%) was normal. Of the total male students, 6(12%) were found to be in severe stress levels. Also, 2 (4%) of the total female students

were found to have severe stress levels. But fortunately no student was found to be in severe stress level. A report on this analysis was prepared and presented to the Hon. Principal

A Brief Overview on: One Day National Level Webinar on “Developing English Language Skills”:

Date: March 13, 2021

Organizers: Department of English Shri Vyankatesh Art’s, Commerce & Science College

Keynote Speakers: Dr. Darwarsingh Patil

Mode: Online

Time: 2:00 PM onwards

Total Participants: Over 500 across the various states of India

Objective: The webinar aimed to explore recent advancements and techniques to develop English language skills.

Distinguished Speakers:

Dr. Darwardingh Patil is a distinguished professor of English renowned for his expertise in, language and literature with a career spanning decade; his scholarly contributions have significantly enriched the field of English studies. Known for his insightful analysis and engaging teaching style, Dr. Patil inspires students and fellow academics alike.

Audience Engagement: Over 500 participants from different states of India actively participated in the webinar, showcasing a keen interest in the topics discussed.

Insights Shared: The speakers shared valuable insights into the latest developments.

Networking Opportunities: The webinar provided a platform for participants to connect, interact, and exchange ideas with experts and peers from across the country.

Conclusion:

This national-level webinar has provided valuable insights and strategies for enhancing English language proficiency. We have explored various techniques, from vocabulary building to pronunciation practice that can significantly contribute to effective communication in English. Language learning is a journey that requires dedication, persistence, and an open mind.

Let’s embrace every opportunity to engage with the English language, whether through reading, listening, speaking, or writing. Let’s leverage the plethora of resources available, from online courses to language exchange platforms, to further develop our skills.

STATE LEVEL POWER POINT PRESENTATION COMPETITION
ON
“Energy Renewable Sources & Applied Physics”

(Date: 28 January 2020)

Organized by
DEPARTMENT OF PHYSICS
SHRI VYANKATESH ARTS, COMMERCE AND SCIENCE COLLEGE
Deulgaon Raja Dist. Buldana (M.S.)

.....

SUMMARY OF STATE LEVEL POWER POINT PRESENTATION COMPETITION

Introduction:

The Department of Physics at Shri Vyankatesh Arts, Commerce & Science College organized a State-Level Power Point Presentation Competition on the theme "Energy Renewable Sources & Applied Physics" on January 28th, 2020. The event aimed to provide a platform for students to showcase their knowledge, creativity, and understanding of the significance of renewable energy sources and their applications in the field of physics.

Event Details:

Date: January 28th, 2020+

Venue: PPT Hall, Shri Vyankatesh Arts, Commerce & Science College

Time: 9:00 AM onwards

Participation:

A total of 56 contestants from various colleges participated in the competition. The enthusiastic participation reflected the interest and enthusiasm of students in exploring and presenting their ideas on the given theme.

Presentations:

The presentations covered a wide range of topics related to energy renewable sources and applied physics. Participants demonstrated their understanding of concepts, their relevance to real-world scenarios, and potential solutions to address energy challenges.

Judging Criteria:

Presentations were evaluated based on criteria such as content clarity, creativity, relevance to the theme, presentation skills, and adherence to time limits. A panel of judges comprising faculty members and experts in the field of physics assessed the presentations.

Winners:

After careful deliberation, winners were selected based on their overall performance and adherence to the judging criteria. The top-performing contestants were recognized and awarded prizes to acknowledge their efforts and achievements.

Conclusion:

The State-Level Power Point Presentation Competition served as a platform for students to demonstrate their knowledge, creativity, and passion for physics. The event not only encouraged participants to explore topics related to renewable energy sources but also fostered a spirit of innovation and scientific inquiry. It provided an opportunity for students to engage with peers, faculty, and experts in the field, thereby contributing to their holistic development as future leaders in the field of physics.
